

BUCCANEER'S CREEK MARTINIQUE

Martinique is the ideal combination of French flair and Caribbean fun, blending sophistication and a sunny climate in just the right proportions. Therefore, it would be impossible to improve upon Martinique's atmosphere, activities or appeal. Right?

Wrong. Beginning in December 2005, Club Med will bring the village of Buccaneer's Creek out of its hibernation as a more stunning and impressive version of itself. The social scene continues to build on its legendary past, while the amenities and activities at this newly reborn village bring with them the promise of an amazing future.

Accommodations have been reconstructed from the ground up, with contemporary new designs that wrap each guest in both comfort and creativity. All you need to do is find the inspiration to come in the first place.
