

village atmosphere

This village is head and shoulders above its competitors, partially because it has none. Crested Butte is America's only Total All-Inclusive™ family ski vacation, and clearly the best value on the mountain. Here, you'll find the luxury of a world-class ski facility combined with the experience of Club Med. From the moment you ski in until the day you ski out, every meal, lift ticket, ski lesson and run down our

86 slopes is included. Those who don't ski, or those who need a break, are free to enjoy indoor whirlpool, sauna, heated pool and nightly entertainment. Finally, guests from 4-17 years old are sure to love our kid's programs as much as Child Magazine did when they ranked Crested Butte among the top Super Ski Resorts for Families.
